

HAVE YOUR SAY AT STEP FUSION'S FIRST PUBLIC CONSULTATION!

STEP Fusion is the UK's flagship fusion energy programme.

Our aim is to enhance the UK's world-leading fusion energy capability and build an industry alongside a prototype fusion power plant. The location for this is West Burton on the site of a former coal-fired power station.

It's an exciting opportunity to bring new jobs and investment to the area for many generations.

You can find out more about our programme and what we plan to deliver at stepfusion.com

We want to hear your views and have the opportunity to talk to communities about our plans for STEP Fusion. Our first public consultation is a critical stage in securing support and guiding our planning process with the overall aim to build a prototype power plant by 2040.

The public consultation runs from 14 January through to 11 March 2026.

✦ More details on the consultation are available on our website: stepfusion.com/consultation

✦ If you need help accessing information please contact the STEP team on communications.step@ukifs.uk

Thank you for your interest in STEP Fusion, we look forward to hearing your views.

MORE DETAILS OVERLEAF

WE ARE HOSTING EVENTS AROUND THE WEST BURTON SITE SO YOU CAN FIND OUT MORE, MEET THE TEAM AND GIVE YOUR VIEWS ON OUR PROPOSALS.
