

# HAVE YOUR SAY AT STEP FUSION'S FIRST PUBLIC CONSULTATION!

STEP Fusion is the UK's flagship fusion energy programme.

Our aim is to enhance the UK's world-leading fusion energy capability and build an industry alongside a prototype fusion power plant. The location for this is West Burton on the site of a former coal-fired power station.

You can find out more about our programme and what we plan to deliver at [stepfusion.com](http://stepfusion.com)
